Hi Amelia,

I have been requesting feedback from our staff in regards to how our recent event was received by our customers and every Account Manager we had at the event has had nothing but praise for Two Brothers Catering.

Please pass on our appreciation to your staff for the way they presented themselves, their professionalism and for helping us make the day so enjoyable for our customers.

We will certainly be using your services again and recommending to others.  
We wish you and your staff a Very Merry Christmas and a safe, successful New Year.  
Best regards,

A very sincere thank you for Sunday. The day was very special in so many ways and your wonderful catering and bar management were exemplary. The food was truly amazing and the serving of the food and drinks to the guests was at all times very professional and respectful. I can't thank you enough, you truly helped make the day a wonderful success. Many of our guests were very complimentary of your food and the service you provided.

I look forward to our next function!

Good Afternoon

Robert and I wanted to thank you for the brilliant catering at our wedding. Many of our guests commented on the quality of the food and how absolutely delicious it was. Unfortunately I didn't get to eat much at all!!! Apparently I missed lamb that was to die for!! – So thank you once again for contributing to our special day.

Dear Amelia

Words really fail me but I just want to say how wonderful everything was yesterday. Your staff were without doubt the best, friendliest, efficient and most thoughtful group of people one could ever wish for. As for the food, it was just outstanding in quality, quantity, presentation and it was so imaginative - everyone loved it and appreciated the effort you all put into making it a very memorable day for my birthday and our surprise wedding. I am sure you will get more work from our friends who were here - our son spoke to Simone already about catering for his wedding in January.

Many thanks

Hi Simone

I cannot thank you guys enough. The food was impeccable and so was the service. I had (and still have) people coming up to me constantly, saying how much they absolutely loved the food and wanted business cards.

I am recommending you to everyone who wants caterers for events and will continue to as well.

Again, thank you so much.  
Elizabeth.

Hi Simone and Sam,

WOW! You guys were incredible! The food was out of this world, and the service was exceptional!!!! You guys have been so amazing to work with and so flexible with our requests and our set up. We have worked with so many caterers and you guys are the best by far! All our guests and us Emkho chicks were in awe of your service and food.

Thanks for the invoice, and thanks for letting your staff hang around for longer! We have just paid it.

Thanks again, hope to work with you guys in the near future.

Ps- all staff were professional and all knew how to give great service (which is so rare these days with external caterers) - especially Geoff!

Thanks again,

Hi Simone,  
I would like to take this opportunity to say a big THANKS to you all for such a good job. The staff were lovely and very professional, the food was excellent, and many of my guests have gone out of their way to say what an excellent job they did and how wonderful the food was. I really appreciated the pack up that was done on the bar ( and the kitchen) before they left too. It made clean up on Sunday morning so easy. I liked the way my nieces were also offered food down in my lounge room as well, thanks for that! (I was going to mention to do that and had forgotten.... so was really pleased when I heard that it had happened.)  
I had an excellent night and was able to enjoy myself stress free thanks to the great job being done.  
I would absolutely recommend two brothers catering to anyone looking to cater their event.  
Thanks so much!!  
Warm regards,
